BRITAIN

# TERRY LIFTS

*the one to trust*

**When it comes to finding a lift, you can be sure the one you're looking for will be the one you find at Terry Lifts.**

Because at Terry Lifts, we take the time to understand exactly what you need. Which means we can provide you with the perfect lift to fit your home and your lifestyle—proudly made in Britain and installed by experts you can trust.

After all, we've been working in the lift industry for more than 50 years, meeting the highest standards in quality and safety. So you can be confident the lift you choose will be there for you for many years to come.

**It's everything you'd expect and nothing less from the one you can trust.**

# Terry Lifts

## *Regain the freedom of your home*

When it comes to finding a home lift, you can be sure the one you're looking for will be the one you find at Terry Lifts; such as the Harmony Home Lift, specially designed to fit almost anywhere in your home with its compact footprint size and minimal headroom required.

The Harmony Home Lift will take you smoothly between floors in total comfort and ease, whether travelling seated in a wheelchair or on the optional fold down seat. What's more, you can be sure your lift is made to meet the highest standards in quality and safety, so it will be there for you for many years to come.
