THE SPECIALIST IN MOBILITY LIFTS • TRUSTED FOR OVER 50 YEARS

Images show lift in black alternative RAL colour; standard lift is supplied in stainless steel finish

Melody 1 LOW-RISE PLATFORM LIFT

The Melody 1 Platform Lift offers a reliable and compact solution for both wheelchair and ambulant users. Whether installed for domestic or public access use, the lift provides a more convenient and practical alternative to a ramp. The design incorporates a fixed ramp to eliminate the need for a pit. For public building disability access compliance, the Melody 1 is a convenient and cost-effective solution.

STANDARD FEATURES

- Quick 1-day installation
- Minimal building work required
- No need for an enclosure or support tower
- Easy to operate, illuminated constant pressure controls
- Attractive, durable stainless-steel finish (Alternative colours available as an option)

OPTIONS

- Upper-level gate
- Bridging steps for domestic applications only
- Pit available for internal use only
- Remote isolate/enable fob
- Polycarbonate infill panels to gate and carriage sides
- Side exit
- 900mm wide platform
