THE SPECIALIST IN MOBILITY LIFTS • TRUSTED FOR OVER 50 YEARS

Portable FLEXIBLE TEMPORARY SOLUTION FOR WHEELCHAIR ACCESS

The Portable Platform Lift provides easy and reliable wheelchair access on a temporary basis. The lift folds away conveniently for transport and storage. It consists of a self-contained unit built on large castors, so it can be wheeled into place with minimum effort. Following initial training, the lift is easy to set up by two people. It can be simply plugged into an existing power point.

STANDARD FEATURES

- Folds away for convenient moving and storage
- Large castors for easy transportation
- Shallow approach ramp to a portable base frame
- Convenient controls
- Plug-in charger keeps batteries charged for immediate re-use
- Safety edge protection in both directions of travel
- Arrestor bar on platform for safety
- Scissor mechanism fully enclosed by bellows
- Low voltage operating system

OPTIONS

- Remote up/down control kit
- External platform height adjustment
- Storage cover
- Outside use
