TSL500 DOMESTIC STEPLIFT

Practical: As well as providing wheelchair access, the TSL500 can also accommodate pedestrian access when supplied with bridging steps

Easy to use: Convenient controls to the carriage, upper and lower levels (remote option also available) Shallow approach ramp for easy access onto the lift platform

Easy installation: Self-contained unit is suitable for mounting on to a smooth flat surface and can be easily installed in less than a day

Cost effective: Often cheaper than a ramp and can be easily re-sited

Low maintenance: Annual servicing recommended. Service contract available

Safe: Built in the UK to BS 6440:2011 by a Company with over 50 years' experience in mobility and access Products

Versatile: The TSL500 will travel up to 500mm with upper gate protection or with a single bridge step
